SALES CONDITION

Orders (except spare parts)

Minimum order value 500 Euro NET.

All orders will be confirmed normally within 48 hours by a proforma invoice via e-mail.

25 Euro processing fee will be added to each order lower than 500 Euro NET.

Prices

All prices are expressed in Euro and Ex Works GLOMEX Ravenna (Italy), net of any tax or duty.

Packing

Packing costs are included in the price.

All parcels, boxes, bundles, are sealed with GLOMEX security seal band. If the quantity ordered is lower than standard pack, it will be changed to the correct standard pack.

Payment

Payment must be made in advance unless contrary written agreement has been authorised. All terms of payment are subject to insurance agreement. Glomex retains the right to cancel any order or modify payment terms in case the insurance agreement is rejected. If the buyer fails to make payment by the due date, Glomex can cancel future orders / contract or deliveries, and retains the right to charge the buyer interest on the missing / late payment.

Delivery and freight

2 days to 4 weeks from order's date.

Ask for freight quotation by Glomex agreed forwarder. Even if sale is agreed free destination, goods transportation is always at the purchaser's risk.

Insurance

All risk insurance is intended excess of the first 125 Euro of damages for all the shipment by the Glomex forwarder.

Changes or additions

We will accept changes or additions to orders within 3 days after order confirmation date.

If there are any changes or additions after 3 days, the delivery will be postponed of 5 working days.

Returns

All materials returned for warranty, exchange or credit have to be approved and an RMA number must be assigned. Materials returned for credit will be charged 15% of the invoiced price for inspection and repack purpose.

Warranty

LIMITED LIFETIME WARRANTY

GLOMEX warrants its products to be free of defects in materials and workmanship for as long as the product remains the property of the original purchaser (except for Satellite antennas and Directional TV antennas which are covered by two or three years warranty on the parts). GLOMEX's obligation under this warranty is limited to repair or replace defective products. No material will be repaired or replaced without written authorization from GLOMEX or its assigned representatives. Repair or replacement will be made only after an examination indicates defective material or workmanship at time of manufacture.

GLOMEX is in no event liable for consequential damages, installation costs or other costs of any nature incurred as a result of the use of the products manufactured by GLOMEX, whether used in accordance with instructions or not.

All shipping costs on returned material are the responsibility of the purchaser.

GLOMEX is not liable for repair or replacement of any product damaged by lightening, other natural phenomenons or incorrect installation including reverse polarity connections.

This warranty is in lieu of all others, either expressed or implied. Proof of purchase is required.
